\$400,000 Damages.
The case of the plaintiffs against the defendant companies of their refuse matter in the river, from which the Cour de la river and the Cour de la river has become poisonous, and only works a great injury and but causes the death of fish. They allege that this case existed for several years and of which they have suffered. They represent that the value of \$400,000 and is valuable for general farm purposes.

Scott Catterson Recovering.
Scott Catterson, the young man that was so badly wounded last Friday night in an altercation with Richard Haines at Narrows, was brought to the Harney county hospital in this city Wednesday and his physician is very hopeful of his speedy recovery. The laparotomy operation by Dr. Marsden was performed about five hours after the wound was made and the escape from the intestines and internal hemorrhage made it more complicated and increased the danger of death. Dr. Marsden found the wounded man had been cut four times, but only two were bad and but one dangerous. The slash across the hip was about four inches in length and was quite ugly, although not dangerous.

The wounds were made by a stock knife and the dangerous one in the upper left abdomen penetrated the cavity and made a rent in one of the large intestines.—Ontario Democrat.

Judgment for \$6419.62.
Judge George H. Stewart this morning handed down an opinion in a mining suit that he had taken under advisement by giving a good, round judgment for the plaintiff. The case was entitled Stephen D. Niles, plaintiff, vs. Ingersoll & Hamlin Mining Co., defendant.

The plaintiff sued to recover for services rendered in the capacity of treasurer and general manager, claiming \$6997.00 for services and \$2127.12 for money advanced for use of defendant. The court allowed \$4500 for services and \$1918.62 for money advanced.—Boise Capital News.

After County Division.
Promer is again fighting for county division of Yakima. She can get what she asks providing she doesn't want too much of Klickitat. That's what killed the county division two years ago.—Goldendale Sentinel.
